BUY MAX™

Mister Sparky® — America's On-Time Electrician®

ONE HOUR HEATING & AIR CONDITIONING® — Always On Time...Or You Don't Pay A Dime!®

Benjamin Franklin — THE PUNCTUAL PLUMBER®

WHAT IS BUYMAX?

BuyMax is a membership-based, strategic sourcing, and private label organization for an industry-leading family of franchise brands and independent contractors. BuyMax establishes relationships with manufacturers worldwide to develop a unique range of product offerings, including exclusive brands available only through BuyMax. Our private branded products make choices easy for you and your customers as they provide unbeatable quality and superior warranties, all for a price that allows for higher profit margins. Working with our members, we have identified these products and negotiated with our vendor partners to give you substantial discounts on each product. Through BuyMax, your organization can access HVAC, Plumbing, Electrical supplies and other products to support your business. Members can brand their BuyMax products and consumables to leave behind in customer homes, which sets your brand apart and reduces competitive price shopping. We then support technicians in selling those items to homeowners through comprehensive product and sales training. This training is coordinated directly with your account manager and can be flexible to meet your team's needs.

ORDERING PRIVATE BRAND PRODUCTS FROM BUYMAX IS DESIGNED TO BE QUICK AND EASY!
VISIT OUR STORE TODAY AT BUYMAX.COM. ON OUR E-STORE, YOU HAVE ACCESS TO:

- » Full Catalog of All Products
- » Enhanced Search Features
- » Convenient Order History
- » Online Return Requests
- » One-Click Reordering
- » And More!

FIRST TIME SHOPPING AT OUR E-STORE?

Email us at orders.pbg@4buymax.com to receive login information. For further ordering assistance, contact our Private Brands Customer Care Team at (866) 936-6622 or orders.pbg@4buymax.com. Our knowledgeable staff will be available to answer your questions Monday – Friday, from 8:00 a.m. – 5:00 p.m. CST.

RETURN POLICY

We've developed our Return Policy to make returns as easy as possible for you. We accept unused products in their original packaging and 100% resaleable condition up to 30 days from the date of purchase. A restocking fee of 35% may be charged for returns. Regrettably, initial shipping charges are not refundable. Damaged items or short shipped orders must be reported to BuyMax within three business days of receipt. Return shipping will only be charged if we determine that the returned items do not qualify for credit. Please contact Customer Service at (866) 936-6622 or orders.pbg@4buymax.com for assistance. Our representative will provide a Return Authorization (RA) number to include on the returned package and an expected time for your package pickup, if applicable.

SOME ITEMS CANNOT BE RETURNED TO BUYMAX PRIVATE BRANDS AND INCLUDE:

- » Customized orders, such as custom made-to-order and/or specially prepared items
- » Previously installed products
- » Inventory clearance items
- » Obsolete, older version or discontinued products
- » Products purchased under any incentive or promotional event
- » Special or non-catalog orders
- » Purchases under any employee discount program

Our customer service department must be notified of any defective product(s) within 30 days of failure. Please contact Customer Service to obtain a Return Authorization (RA) number. We will pay the return shipping on any Warranty Return and the shipping cost associated with the replacement. The defective product should be returned immediately (with the RA), and an order for replacement of the item should be made with our customer service representative. If you choose to return the product without ordering a replacement, you will be charged a 35% restocking fee. After receipt of the Return Authorization, the defective product must be returned within 30 days, or the Return Authorization is void.

- » We ship from coast to coast
- » HVAC Products - FREE Freight $3,000 minimum order.
- » BioBen® - FOB Warehouse (Dealer Pays Freight)

TABLE OF CONTENTS

ELECTRIC

SURGE PROTECTION

- » Fully branded Equipment protection
- » LED status notification
- » Protects vital system components
- » Protects against power surges, lightning strikes, and utility grade 'spikes'
- » Connected equipment warranty of up to $10,000 (see details)

- » Certified to UL-1449 3rd Edition
- » 120v and 240v installations
- » Fast response of <5 nanoseconds
- » Multi-use: HVAC units, water heaters, heat pumps, furnaces, electro-mechanical devices
- » NEMA 4X enclosure

MSRJ45	» Internet Surge CAT5 & CAT6 Data Surge Protectors » Network Surge Protector » 5-year product replacement warranty » UL 497B	
MSJ6-1T	» Telephone Surge » Telecom/ADSL Surge Protector » 5-year warranty	
MS8X09	» Cable/COAX Surge » Antenna Lightning Protection » Indoor Use Only » First line of defense for sensitive equipment » 5-year product replacement warranty from date of installation	
MS-120	» Type 1 120/240 Surge Protector » Surge Protection Device » Lifetime warranty » UL 1449 4th edition type 1 UL/cUL listed	
MS-50	» Type 1 Surge Protector » All mode hybrid protection with Gas Tube and thermally fused Metal oxide Varistor suppression » 10-year warranty	
OH-50	» Type 1 Surge Protector » All mode hybrid protection with Gas Tube and thermally fused Metal oxide Varistor suppression » 10-year warranty	

HVAC

PAN TREATMENTS

- » Helps prevent water leaks, clogged drains and reduces flooding
- » Reduces fungus, mold, and mildew
- » 12 individually wrapped per box

- » Outlasts all other pan treatments (6 months)
- » Time-released for long lasting-results
- » Ideal for mini splits, PTAC units and small flat fan coils (mini only)

Part#	Product	Photo
CHM00494Y	» Up to 1 ton unit (mini)	
CHM00495Y	» 1-2 1/2 ton units	
CHM00496Y	» 3-5 ton units	

MICROPOWER GUARD

» 24V configuration saves energy

» Captures 97-99% of all particles above .03 microns

» Exceptional air cleaning performance

» 5" HEPA Class exceptional pressure drop of only 0.1 in w.c.

Part #	Product Features	Photo
LPOH-4 (size)	» 1" MicroPower Guard Low Pressure Combo » Improves airflow by up to 50% compared to traditional black carbon pad » Moisture resistant electronics » Lifetime warranty on powerhead	
LPOH-FIEDG-4(size)	» Easy to replace media pads available in economical 4-packs » Each disposable media pad remains at peak operating efficiency for three to four months before replacement is needed » Lifetime warranty on powerhead	
260-8LP-(size)OH	» Long life cartridge cleans up to 6 months » Improves airflow by up to 50% over standard media filters » Draws only 2 watts » Produces no ozone » 16x25 (1-2.5 ton Systems, 1400 CFMs of Air) » 20x25 (2.5-3.5 ton Systems, 1600 CFMs of Air) » 30x27 (3.5-5 ton Systems, 2000 CFMs of Air)	

Call (866) 936-6622 for sizes and pricing

HEPA AIR CLEANERS

» 7-year limited lifetime warranty on the motor

» Whole house hospital quality air cleaning

» Pre & Carbon filter captures large particles to provide for longer life for HEPA Filter

» HEPA filters can remove irritating particles and significantly improve air quality

» Captures and neutralizes tobacco smoke and cooking odors

» HEPA filter is 99.97% effective with particles at 0.3 ppm

» Using a HEPA filter can remove most airborne particles that make allergies worse

Part #	Product	Features	Photo
HP500-OH	PureSept® HEPA 300 CFM ByPass	» Each filter is easily replaced, requiring replacement every six months » Unit is sealed and air is forced through the filters with a quiet fan balanced at the factory for optimum airflow and minimum power consumption » Placement of filters within cabinet ensures whisper-quiet operation	

HEPA ACCESSORIES

Part#	Product	Photo
RHF562	» Replacement Filters for HP500 » Filter life expectancy of 2 years, if prefilter and carbon filter (ARK564) are changed every 6 months	
ARK564	» Annual Filter Replacement Kit » Includes 2" prefilters and two ½" carbon » Replace every 6 months	
CMK500	» Collar Mount Adapter Kit	
2RREU25	» EBM Motor for HP500	

HUMIDIFIERS

- » Proper humidity controls pests and other conditions
- » Effective and efficient in providing Humidity throughout the entire home
- » Protects wood floors, furniture, and other natural components in homes
- » Reinforced tabs
- » Easy to remove from housing, easy to install

- » Reduces negative impact coughing, allergies, and irritated eyes
- » Humid air in winter feels warmer than dry air, which can help save money on utility bills
- » Humidity levels above 40% rapidly deactivate FLU virus, making them much less likely to be infectious*
- » 10-year warranty

UV STERILIZATION

» UV light is non-toxic and environmentally friendly

» Multi voltage ballasts making installation easy and fast

» Most products have high-out intensity enabling high performance in systems with high cfm's

» Lifetime warranty on unit, two-year warranty on lamps, more descriptive on warranty

» Products have audible and/or visual notifications

» Protects mold buildup on coils, fans and ductwork when properly installed

» No harmful residual effect to humans or aquatic life

Part #	Product	Features	Photo
OQ-16-5 OH	OxyQuantum® LED one 16" twin bulb & one UVV 5" bulb	» Lifetime warranty on ballast » Specially treated UVC/UVV lamps have a two-year life » Ultraviolet germicidal air purifier » Reduces germs bacteria, and toxic gases » Patented oxidation adjustment	
OQ-12-5 OH	OxyQuantum® LED one 12" twin bulb & one UVV 5" bulb	» Lifetime warranty on ballast » Specially treated UVC/UVV lamps have a two-year life » Ultraviolet germicidal air purifier » Reduces germs, bacteria, and toxic gases » Patented oxidation adjustment	
BOH-7-50RC	OxyQuantum® Remote Complete	» Lifetime warranty on ballast » High-output twin UVC lamp kills and controls germs, infectious agents, and toxic gases in your home » Patented UVV light chamber is easily adjustable and controls the amount of oxidation » High-output UVC/UVV lamps have a two-year life » These components are separate for flexibility in installation and upgrading » Perfect for package units and tight spaces	
BOH-7-150TR-12	OxyQuantum Triple Remote with 12" bulb	» Lifetime warranty on the ballast » Twin lamp UV germicidal air purifier with activated oxygen » Unit comes with standard 12" bulb » 120/240 multi-voltage ballast, 90 watts » Two year life, High Output 180 micro-watts UVC lamp	

Part #	Product	Features	Photo
BOH-7-100DR	Quantum™ Dual Remote	» Lifetime warranty on the ballast » Ultraviolet germicidal air purifier » Reduces mold, bacteria, and germs » Non-ozone producing » UVC lamps have a two-year life » For surface or air-stream application » Inexpensive to operate	
QGLR-OH15W12L	12" Quantum Germicidal LR	» 24v operation » Ideal for air handlers, fan coil or packaged units » Optimum output ballast-maximized UVC output at 24 volts input

» 89 Series Automatic Whole House Water Filter

» 97% Chlorine removal

» Taste & odor Catalytic Carbon) filter with KDF

» Removes rotten egg odor, chlorine, chloramine & organic matter, iron, sediment

» Uses high quality granular activated catalytic carbon

» 10 year warranty on control valve

» Lifetime warranty on pressure tank

» 89 Series 1" Downflow

Part#	Product	Photo
17015014	» Model – 89TOCK-100, KDF » Media Cu Ft: 1.00 » Mineral Tank Size: 9 X 48	
17015015	» Model – 89TOCK-150, KDF » Media Cu Ft: 1.50 » Mineral Tank Size: 10 X 54	
17015016	» Model – 89TOCK-200, KDF » Media Cu Ft: 2.00 » Mineral Tank Size: 12 X 52	

WHOLE HOUSE FILTRATION
PRIVATE LABELED FOR BENJAMIN FRANKLIN PLUMBING

» Coconut carbon media with KDF distributor

» Reduces chlorine, organics, bad taste and odors

» Solution where backwashing is restricted or not possible

» Economical whole-house carbon filtration

Part#	Product	Photo
15054075	» NRVTOK-100 » Peak Flow Rates: 4.0 gpm » Filter Media Volume: 1.0 cu ft » Filter Tank Size: 9 X 48	
15054076	» NRVTOK-150 » Peak Flow Rates: 5.0 gpm » Filter Media Volume: 1.5 cu ft » Filter Tank Size: 10 X 54	

HIGH-FLOW WHOLE HOUSE SCALE CONTROL AND FILTRATION SYSTEM
PRIVATE LABELED FOR BENJAMIN FRANKLIN PLUMBING

» Controls scale

» Reduces silt, dirt, rust, scale, sediment & sand

» Reduces chlorine, bad taste and odors

Part#	Product	Photo
160199	» Dual stage filtration system	
160200	» Single stage filtration system	

REPLACEMENT FILTER
PRIVATE LABELED FOR BENJAMIN FRANKLIN PLUMBING

36091	» Radial Flow Granular Activated Carbon Cartridge Filter » For Part 160199
36201	» Polyphosphate anti-scale 5 Micron Sediment Filter Cartridge » For Parts 160199 or 160200

TOTAL HOME WATER SOLUTIONS
PRIVATE LABELED FOR BENJAMIN FRANKLIN PLUMBING

» Easy twist on/twist off cartridge replacement

» 10 interchangeable filters available to tailor treatment to local water conditions

Part#	Product	Photo
1340302-60	» Reduces chromium, lead, arsenic, PFOA/PFAS	
1340201-60		

WHOLE HOUSE AUTOMATIC WATER FILTERS
PRIVATE LABELED FOR BENJAMIN FRANKLIN PLUMBING

» Removes sediment, suspended solids & iron

» Removes rust, sand, silt and sediment

» Works on well water

» 10-year limited warranty

Part#	Product	Photo
17015035	» Model 89NEX-100 » Normal Service Flow Rate: 5.0 gpm » Filter Tank Size: 9 X 48 » 1.0 cu. ft.	
17015036	» Model 89NEX-150 » Normal Service Flow Rate: 5.0 gpm » Filter Tank Size: 10 X 54 » 1.5 cu. ft.	
17015037	» Model 89NEX-200 » Normal Service Flow Rate: 5.0 gpm » Filter Tank Size: 12 X 52 » 2.0 cu. ft.	

REPLACEMENT FILTER CARTRIDGES
PRIVATE LABELED FOR BENJAMIN FRANKLIN PLUMBING

Part#	Product	Photo
41407001	» Filter Cartridge Model SEDQC1/4 » Sediment removal » 2000 gallon capacity(or change every 2000 gallons?)	
41407002	» Filter Cartridge Model CBQC1/4 » Chlorine taste and odor » 2000 gallon capacity (or change every 2000 gallons?)	
41407007	» Filter Cartridge Model PHDQC1/4 » pH Booster and Remineralizer » Change every 6 months	
41407005	» Filter Cartridge Model UFDQC1/4 » Hollow Fiber Mechanical Filtration » Change every 12 months	
41407003	» Filter Cartridge Model SEDQC1/4 » Thin film Composite Membrane	

WHOLE HOUSE WATER REFINEMENT
PRIVATE LABELED FOR BENJAMIN FRANKLIN PLUMBING

» Low maintenance two tank system

» Maximum Iron 30.0 ppm

» Hydrogen Sulfide 3.0 ppm

Part#	Product	Photo
17015021-1	» Model 89DF BIF-100 » Service Flow Rate: 3.0 gpm » Filter Media Volume: 1.0 cu ft » Manganese 0.0 ppm » pH 7.0-8.5	
17015022-1	» Model 89DF BIF-150 » Service Flow Rate: 4.0 gpm » Filter Media Volume: 1.5 cu ft » Manganese 0.0 ppm » pH 7.0-8.5	
17015023-1	» Model 89DF BIF-200 » Service Flow Rate: 5.0 gpm » Filter Media Volume: 2.0 cu ft » Manganese 0.0 ppm » pH 7.0-8.5	
17015024-1	» Model 89DF BIFM-100 » Service Flow Rate: 3.0 gpm » Filter Media Volume: 1.0 cu ft » Manganese 1.0 ppm » pH 6.5-6.9	
17015025-1	» Model 89DF BIFM-150 » Service Flow Rate: 4.0 gpm » Filter Media Volume: 1.5 cu ft » Manganese 1.0 ppm » pH 6.5-6.9	
17015026-1	» Model 89DF BIFM-200 » Service Flow Rate: 5.0 gpm » Filter Media Volume: 2.0 cu ft » Manganese 1.0 ppm » pH 6.5-6.9	

AUTOMATIC WATER FILTERS (WHOLE HOUSE)
PRIVATE LABELED FOR BENJAMIN FRANKLIN PLUMBING

» Product removes iron, manganese & sulfur

» Filter is fitted with an inlet check valve to prevent any air from flowing backwards out of the filter tank

Part#	Product	Photo
17015017	» Model 89DFAIO-100 » Bed Type: AIO Chem Free » pH Range 7.0-8.5 » Manganese 0.0 » Media: 1.0 cu ft » Mineral Tank Size: 9 X 48	
17015018	» Model 89DFAIO-150 » Bed Type: AIO Chem Free » pH Range 7.0-8.5 » Manganese 0.0 » Media: 1.5 cu ft » Mineral Tank Size: 10 X 54	
17015019	» Model 89DFAIOM-100 » Bed Type: AIOM Chem Free » pH Range 6.5-6.9 » Manganese 0.0-1.0 » Media: 1.0 cu ft » Mineral Tank Size: 9 X 48	
17015020	» Model 89DFAIOM-150 » Bed Type AIOM Chem Free » pH Range 6.5-6.9 » Manganese 0.0-1.0 » Media: 1.5 cu ft » Mineral Tank Size: 10 X 54	

ULTRAVIOLET DISINFECTION SYSTEMS (WHOLE HOUSE)
PRIVATE LABELED FOR BENJAMIN FRANKLIN PLUMBING

» Controls microbiological (bacteria & virus) issues

» Universal mounting configuration

» Reliable, industry proven, coated UV lamps

Part #	Product Features	Photo
40030067	» Model Gen 4-8R1P » Flow Rate: 8.0 GPM » 1st Filter Housing: 10" 5 Micron Sediment	
40030069	» Model Gen H4-15R2P » Flow Rate: 15.0 GPM » 1st Filter Housing: 20" 5 Micron Sediment	

REPLACEMENT PARTS
PRIVATE LABELED FOR BENJAMIN FRANKLIN PLUMBING

Part #	Product Features
40040096	GEN4-8R1P Lamp
40040042	GEN4-8R1P Sleeve
40040112	GEN4-8R1P Controller
40040020	GENH4-15R2P Lamp
40040042	GENH4-15R2P Sleeve
40040075	GENH4-15R2P Controller

TOTAL HOME DRINKING WATER SOLUTIONS (NOT WHOLE HOUSE)
PRIVATE LABELED FOR BENJAMIN FRANKLIN PLUMBING

» 475 Pro Series Reverse Osmosis Drinking Water System

» Removes 99.9% total dissolved solids and impurities as small as an atom

» Includes standard chrome faucet, installation tubing and inlet valve, 3/8" tubing from tank to faucet

Part #	Product Features	Photo
20010023	» Model 475PRO-RO » Reverse Osmosis » 4 stage » 75 GPD » 3.2 Gal NSF Tank » C/W faucet and Install kit	
20010022	» Model 475PRO-ROBP » Reverse Osmosis » 4 stage » 75 GPD » 3.2 Gal NSF Tank » C/W Booster pump » Faucet and Install kit	

RUSCO SEDIMENT FILTRATION
PRIVATE LABELED FOR BENJAMIN FRANKLIN PLUMBING

» Solid particle removal made simple and economical

Product	Features	Photo
Spin-Down™ Sediment Trapper ™ Filter	» Clear bowl easily removed for total cleaning » No tools required, using tools voids warranty. » Tighten by hand » Centrifuge spin-down type sediment separation » Available in 3 sizes: 1", 1 ½", and 2" slip x slip connections in and out	
Spin-Down™ Sediment Filter	» Clear cover is easily removed for total cleaning » No tools required, using tools voids warranty. » Tighten by hand » Sediment is visible through the clear cover indicating when the filter needs cleaning » Available in 1", 1½" and 2" slip x slip connections in and out
